RECORD BREAKING ATTENDANCE SUNDAY

Special Efforts to Have 450 at Wesley Bible Class—Total Wanted is 1,250.

Mr. Ernest Dugan, chairman of the membership committee and general publicity of the Wesley Bible class of St. John's Methodist church stated yesterday that every member of the class was working to make the attendance on Easter Sunday the largest it had ever been. Last Easter there were 391 men present, and it is hoped that the attendance this Easter will be at least 450. Dr. Cas. D. Bulla of Newville, Tenn., will be present and will address the class at the appointed hour.

In this connection it might be stated that St. John's Sunday school is working for the biggest Sunday school attendance next Sunday that has ever been recorded in Anderson. The members are making efforts to have 1,250 present. This Sunday school has had wonderful progress within the past three years, and is right at the top of these in South Carolina.

DEATH OF MR. F. KOWALSKI.

A Good Man Has Gone to His Reward

Mr. Ferdinand Kowalski died at his home five miles north of the city Saturday afternoon at 7:30 o'clock. He had been sick for three months.

Mr. Kowalski was born in Germany 57 years ago. When quite a young man he emigrated to this country and settled in the Robert section where he lived until after he married when he moved near Midway church and was living there at the time of his death. Early in life he married Miss Hadurish Axmann with 8 children: Mr. Ferdinand P. Kowalski of Green Pond; Mrs. J. C. King of Hopewell and Messrs. Frank, Paul W., Carl A. and Misses Julia, Hilma, and Ada. Kowalski all survive him. He is also survived by one sister in this country, Mrs. M. Schlock of Seneca, S. C. He was a true and honest man, and never turned a deaf ear to the needy. He was highly respected by all who knew him and will be sadly missed, especially in the community where he lived. He had friends everywhere who will be grieved to learn of his death.

He had been a faithful member of Midway church for a long time where his remains were laid to rest Sunday afternoon at 4:30 o'clock. The funeral services being conducted by his pastor, Rev. W. H. Frazer of Anderson. The pallbearers being: W. J. Vandiver, T. J. Webb, D. W. Greer, A. Rhody, C. H. E. Ortman and J. Lundkovsky.

This hard to break the tender cord when love has bound our hearts. 'Tis sad, so sad, to know that now we must forever part.

25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save your hair! Make it thick, wavy and beautiful—try this!

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverish, itchy, and itching of the scalp, which if not removed causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of the downy hair—new hair—growing all over the scalp.

LANDER COLLEGE

On Sunday evening the Prohibition association had a most interesting meeting. The speaker for the occasion was Mr. George C. Hodges, Sr., and his topic was False Education of the Saloon. The earnest address was one that will prove of lasting benefit to all present.

At the last meeting of the Y. W. C. A., the following new officers were elected: President, Miss Eula Waldrop; first vice president, Miss Agnes Stackhouse; second vice president, Miss Martha Shuler; treasurer, Miss Kate Anderson; secretary, Miss Eva Best, and corresponding secretary, Miss Bettie Register.

The College Sunday school observed Asbury day by an unusually interesting program. The music was especially good. Besides the hymns, Miss Aushpaugh played a beautiful volly selection and Miss Crockett sang a touching solo. Dr. Wilson made a short talk about the remarkable pioneer preacher whose life is now so much discussed and an offering of brownies was taken for the bronze monument to be placed in Washington to the early circuit riders.

Field Day was the most safe and sane one Lander ever had and the girls had just as much fun as ever. Monday was cool so everyone braced up for playing. The Freshman team beat the Sophomores at basket ball. Miss Oriana Berry won the trophy cup for tennis singles. On the baseball game the Rompers and Qui Vive scored the same. Bowling, volley ball and all kinds of races made fun for a great many players as well as the on-lookers. Every one enjoyed Field Day.

The Lander club held a delightful meeting at Mrs. C. B. Alexander's on Monday afternoon. An interesting literary program was carried out. Shakespeare being the character discussed. Dainty refreshments and chatting occupied the last half hour of the meeting.

Dr. Wilson is away for a few days attending district conference at Kershaw, St. George and Cllo. Miss Aushpaugh and Miss Annie Williams are in Charleston this week-end visiting the azalea gardens on Ashley river.

PROMINENT BUSINESS MAN
AGAIN KNOWS PLEASURES OF EATING
BIG DINNER

TELLS ALL THE DETAILS

Shull Says "My Unpleasant Symptoms Have Disappeared, as Result of Taking Tanlac."

The enormous popularity of Tanlac is the great, outstanding proof of its merit, and the great proof of its popularity is the praise given the Premier Preparation by those best in position to know its value—those who have taken it. And, perhaps, never in the history of proprietary medicine have so many men, leaders in their respective communities in business and social life given their endorsement so freely to a proprietary medicine as have men of this standing given endorsement to Tanlac.

As the proof of the pudding is in the eating, so is the proof of the medicinal and constructive value of Tanlac gained best by taking it. Big men are big men because they have big reputations, and they are jealous of their reputations. Therefore, they do not jeopardize their reputations by recommending a medicine unless they know fully whereof they speak.

This is the view taken by A. D. Shull, one of the wealthiest and best known business men of Lexington county, who lives at New Brookland, just across the Congaree River from Columbia. Mr. Shull is also prominent in the business affairs of Columbia and Richland county. For several years he was a captain in the state militia, assigned to the field staff of a major.

Mr. Shull took Tanlac and received remarkable benefit from it. As a result, his appreciation was so deep and sincere that he voluntarily gave a statement of endorsement for publication. His statement follows: "I now know again the pleasures of eating, after suffering for a long time with indigestion and other stomach troubles. Now I can eat a substantial meal without discomfort. My relief is due entirely to the benefit I found in Tanlac."

"Before I took Tanlac, I was forced to be very careful of my diet, and almost everything I ate caused gas to form on my stomach. That feeling of fullness continued for an hour, or more after it became noticeable. Especially did I have to guard against anything containing grease or fats. Generally, I was sluggish, lacked energy, and felt really worn out."

"My unpleasant symptoms have now disappeared, as a result of my taking Tanlac, and I feel as a normally healthy man. I am a strong friend of Tanlac, and I am glad to recommend it at any time, for I know it will do good."

Tanlac, the master medicine, is sold exclusively in Anderson by Evans' Pharmacy.—Adv.
